

CONDITIONALLY EXEMPT SMALL QUANTITY GENERATOR CERTIFICATION FORM

Participation in the Conditionally Exempt Small Quantity Generator (CESQG) waste drop-off program at EnviroServices & Training Center (ETC) is strictly prohibited by all waste generators except those that meet the definition of a CESQG as defined in Hawaii Administrative Rules (HARs) Title 11, Chapter 261-5 and the Chapter 40 of the Code of Federal Regulation (CFR) Part 261.5. The definition of the CESQG is summarized in the "Certification" below.

Please contact ETC if you need assistance in determining if you are a qualified CESQG.

Business Name: _____

Business Address: _____

EPA ID No.: _____
(If Applicable)

I hereby certify that I am a generator of hazardous waste within the State of Hawaii and that the above mentioned business is a CESQG. I understand that in order to qualify for a CESQG status that I must meet **both** of the following conditions:

1. The above mentioned business generates less than 1 kg (2.2 pounds) of acutely hazardous waste as defined in HAR Title 11, Chapter 261 and 40 CFR Part 261 and never stores more than this amount on site at any time; **and**
2. The above mentioned business generates less than 100 kg (220 pounds) of listed and/or characteristic waste per month as defined in HAR Title 11, Chapter 261 and 40 CFR Part 261.

I further understand that if, in the future, I exceed the quantity limitation described above, I will be subject to additional regulations as a hazardous waste generator and will no longer be eligible to participate in the CESQG waste drop-off program.

I certify that I have the authority to make these statements on behalf of the above mentioned business.
